

Women of All Backgrounds to Gather During Mother's Day Weekend for a Time of Empowerment, Networking and Engagement

The Enjoy Your Legacy Tour Launch scheduled for May 7 in Manhattan is set to draw hundreds of women for a full day of personal branding, business coaching and wealth building

Dr. Teresa R. Martin, Esquire, believes that each woman is phenomenal in her own right, and she is on a personal mission to make sure that women realize just how phenomenal they are, regardless of their economic background. As part of this initiative, she is launching her Enjoy Your Legacy Tour NYC (www.wisepowertour.com), which takes place on Saturday, May 7, 2016, at the Holiday Inn, 440 West 57th Street, Manhattan, New York.

Registration opens at 7 a.m., with a 45-minute Bonus Lease Option Session where participants will learn how to create a million-dollar net worth in 12 months using real estate lease options. The conference takes place from 8 a.m. to 5 p.m., followed by accelerated power coaching from 5:30 p.m. to 7 p.m., where business coaches will spend 5-minutes with each attendee to address any business or finance needs.

Dr. Teresa, founder of Women Investors Strategic & Social Exchange (WISE),

will be one of the featured speakers of the conference, along with 5-time New York Bestselling Author Loral Langemeier, also known as "The Millionaire Maker," as the keynote.

"The purpose of this Tour is to get women talking about money from a strategic standpoint," Dr. Teresa said. "Our goal is to equip them with the knowledge that enables creation, management, and growth of wealth for a lifetime."

As an added plus, attendees will hear from industry leaders on wealth topics such as, Wealth Building Secrets for Women Business Owners; Packaging Your Brilliance to Attract Your Ideal Clients, Build Your Brand & Grow Your Bank Account; and Crafting One-of-a-Kind Customer Experiences, to name a few.

Tickets may be purchased online at www.WisePowerTour.com. Registered attendees are invited to bring a young adult between the ages of 17 to 21 for FREE, to discover how to own their financial future, build wealth at an early age, and prepare for a life of freedom and abundance. Although this is a women's event, men are welcomed to attend.
